| SUMMER 2019 |

## THE RESULTS ARE IN...

- a summary of the 2019 Roebling photo contest.

This year's annual Roebling Bridge Photo Contest was another great success! The contest was divided into two Levels (amateur and professional) and three Categories (black and white photos, photos with the Skystar Wheel or sports stadiums, and photos including reflections). Thank you to the 71 individuals who submitted photos across the six classifications. Additionally, we would

like to thank everyone who voted during the public voting process (coincidentally, we had 2,019 votes this year!!). Please see the included photo for the six winning photos. These pictures can also be found on our Facebook page, our Instagram, and the website. The Committee would like to congratulate our six winners, and we would also like to thank our sponsor - ProCam.

## CLUB MEMBER SPOTLIGHT

Our featured member this edition is Lou Hodge! Lou has been a lifelong Covington resident, graduating from Holy Cross High School before going on to Thomas More University. Community activities have always been important to Lou; he has been involved in Woodlawn/Fort Mitchell Kiwanis Clubs and on the Board and Finance Committee at Redwood School. So, it was no stretch for him to join our Committee back in 1988 when a customer of the bank he worked at suggested it! Over the past 31 years, Lou has served as a dedicated Treasurer of the Committee, making him the longest serving officer. He says that being a part of the Committee has allowed him to expand his appreciation of the history and architecture of the bridge, and that he enjoys his time with everyone in the Committee and Board! Now, in his retirement, he enjoys spending time with his wife, 3 children, and 7 grandsons. He follows his grandsons' sports the same way he has followed UK football/basketball, and the Bengals over the years (he has been a season ticket holder for 40 years!). Thanks, Lou, for your dedicated 30+ years of service to the Committee!

## SECOND SUNDAY ON MAIN
